

Amy Vigen

Amy was born and raised in northern Nevada. She discovered her love for running 7 years ago and just completed her first full marathon in December of 2018. Amy enjoys exploring Nevada's beautiful desert trails on her runs. Her favorite Desert Sky Adventures race is the Fire up for Firefighters Multi-Hour event. As a new Desert Tortoise Ambassador, she is excited to share her passion for running with others and encourage them to work towards their goals, while making new friends along the way.
